25X1 3. [] Accompanied George Carver, SAVA, to brief Senator Ernest Hollings (D., S. C.) in response to the Senator's request. The Senator expressed particular interest in the political situation in South Vietnam and in the outlook for the Paris negotiations. He plans a brief trip to Kiel in the near future but does not expect to have an opportunity to meet with any of our European station chiefs. However he would like a general briefing on the European situation and other significant developments on his return. He was quite receptive to our suggestion of a lunch at Headquarters with the Director at a time we would agree on on his return from Europe.

25X1 4. [] In follow-up to our conversation yesterday, advised Mr. David Muchow, in the Bureau of the Budget, that as far as we knew we had no outstanding problems with Senator Fulbright concerning counterinsurgency funds and social science research programs. See Journal of 14 November.

25X1 5. [] Mr. Irving Jacobs, Social Security Administration, called and requested an analysis of the benefit provisions of the CIA Retirement Act. This material was forwarded in the form of excerpts from the Senate Report on P.L. 88-643. Social Security is getting together a package on the transfer of credit and minimum guarantees program which was considered but not acted upon by the House Committees on Post Office and Civil Service and Ways and Means. Mr. Jacobs was requested to keep us advised on the progress of the proposal.

25X1 6. [] Received a call from Mr. C. B. Morrison, on the staff of Senator Allen Ellender (D., La.), inquiring as to whether the Agency would be interested in reviewing and copying the movie film taken by Senator Ellender during his recent trip to the Soviet Union and elsewhere as was done on one occasion in the past. I told Morrison I was quite certain that we would be, but I would be in touch with our people and talk with him again early next week.
